Relief for Haiti

The Meridian School's care and concern for those whom have been affected by the recent earthquake in Haiti showed yesterday through outpourings of charity both big and small.

Mr. Randy Butler , President and CEO of Sky Bahamas Ltd. , asked The Meridian School to assist in collecting items that he will fly to Haiti to help in relief efforts. A few have questioned whether or not a small donation is OK, when looking at the grand generosity of some, to this the answer is yes.

Any donation, no matter the size, has value for those who have nothing, and unfortunately there are so many who have lost everything but their lives.

Thank you all for your support, and hope that this will be an ongoing effort.
